Dear Tasneema,

Congratulations on being named a semifinalist for the 71st annual National Merit Scholarship Program in 2026 — a distinction very few students nationwide achieve! As your State Representative and on behalf of our entire community, I want to commend you for the hard work, discipline, and determination that made this remarkable accomplishment possible.

Attaining the top score on such a challenging exam is a testament both your academic ability and your dedication to success — qualities that will serve you well as you continue your studies and pursue your goals. Your success is an inspiration to your classmates, your teachers, and your neighbors, and it reminds us of the bright future our community has when young people like you rise to meet challenges with such resolve. You have distinguished yourself among the very best students in the nation and I have no doubt that this accomplishment is only the beginning of many more successes to come.

On behalf of the Ohio House of Representatives and the people of the 16th District, I extend my warmest congratulations and best wishes for all that lies ahead. Please know that I am always available to listen to you, and I will continue to fight for you here at the Statehouse. If I can ever be of service, or if you have any questions about state government, do not hesitate to reach out.

I look forward to seeing the positive impact you will continue to make on our community.

Best Wishes,

Bride Rose Sweeney
