

Education

Cleveland School of Science and Medicine - Senior | GPA: 4.0 | Weighted GPA: 4.688 | Expected Graduation: 2026

Research & Clinical Exposure

- **Physician Shadowing** **Jul 2025 - Present**
Observer – UH Rainbow Babies & Children's Hospital; Cleveland Clinic; Cleveland Ibn Sina Clinic
 - Actively engaged in ongoing shadowing experiences across Pediatrics, OBGYN, Cardiology, and Endocrinology. Gaining firsthand exposure to patient care and clinical decision-making under the mentorship of Dr. Sarah Ronis, Dr. Qarab Syed, Dr. Maria Shaker, Dr. Mehr Khan, and others.
 - Continuously developing critical skills in empathy, active listening, and patient interaction by observing how physicians tailor their communication to meet the needs of patients across diverse ages and medical conditions.
- **Research Intensive Summer Experience (RISE) Program:** **Jun 2025 - Jul 2025**
Intern – Cleveland Clinic's Lerner Research Institute
 - Completed 300+ hours of research on EGF response in lung cancer cells via EGFR signaling using Western blotting, exploring how cellular pathways inform future therapies and cancer treatment.
 - Presented research findings to 50+ faculty and students, answering technical questions on methodology and data.
 - Gained a strong sense of cell signaling pathways and hands-on experience with protein analysis techniques.
- **Scientific Enrichment Opportunity (SEO)/Youth Engaged in Science (YES) Program:** **Jun 2023 - Jul 2024**
Intern – Case Western Reserve University
 - Completed 600+ hours of research over two consecutive summers, investigating the effects of G350D and R710G mutations on dynamin-related protein 1 (DRP1).
 - Authored two in-depth scientific manuscripts and enhanced skills in writing, data analysis, and critical thinking.
 - Presented research findings to audiences of 200+ attendees each year and received the Mark Smith Prize for Outstanding Scientific Presentation (2023) and Outstanding Poster Presentation (2024).
 - Learned foundational wet-lab techniques and how scientific inquiry connects to patient outcomes.
- **Horizons Medical Mentoring Program** **Aug 2022 - Aug 2023**
Member – Case Western Reserve University
 - Gained foundational knowledge in human anatomy, bleeding control, and basic suturing through a medical mentoring program.

Leadership Experiences

- **Students Against Destructive Decisions (SADD) National Student Leadership Council:** **May 2024 - Present**
National Vice President & Board of Director, Member
 - Appointed National Vice President following a highly selective and competitive national evaluation.
 - Collaborating with other council members and national administration to evaluate existing SADD programs and provide feedback focused on public health messaging, accessibility, and overall impact on students.
 - Authored a detailed blog providing step-by-step guidance for establishing SADD chapters.
 - Featured as an invited speaker on the *Power of Young People* Podcast to highlight my initiatives in promoting teen driver safety, educating peers, and encouraging responsible driving habits.
 - Led national conferences with 250+ attendees and guided SLC members in creating a national podcast series.
 - Implemented a chapter recognition system that awards points for engagement, motivating 10,000+ chapters nationwide to increase participation.
 - Invited to speak on national TV channels to raise safe driving awareness during National Teen Driver Safety Week.
 - Developed leadership, organization, and planning skills through directing student-led national initiatives.

- **SADD Chapter at Cleveland School of Science and Medicine (CSSM):** **Jun 2023 - Present**
Founder & President
- Recruited 35 members, expanded chapter to two additional schools, and forged partnerships with 7 prevention organizations, including local hospitals.
 - Created public health-style outreach campaigns and managed social media platforms reaching over 1,000 students.
 - Raised \$2,000 by winning a national video challenge promoting alcohol abuse awareness, using funds to support chapter programs and expand outreach.
 - Presented chapter initiatives at statewide and national SADD events.
 - Earned President's Volunteer Service Award for community service dedicated to empowerment and teen wellness.
 - Developed leadership, event coordination, and networking skills through planning schoolwide initiatives such as the Distract-O-Trac Project and Red Ribbon Week.
- **Beyond Bars Initiative:** **Oct 2024 - Present**
Co-Founder
- Selected through a highly competitive process to serve a one-year term on Congresswoman Shontel Brown's Youth Advisory Council, providing input on youth-focused initiatives and policy.
 - Collaborated with peers and stakeholders to research Cleveland's criminal justice system and develop an 18-page capstone implementation plan proposing actionable reform strategies.
 - Launched the Beyond Bars Initiative (BBI) as an outcome of this capstone project, aimed at helping individuals reenter society after incarceration in Cleveland, Ohio.
 - Collaborating with Case Western Reserve University School of Medicine's HOPE4 initiative to lead Juvenile Justice Center visits, assess youth needs, and implement targeted toolkits that advance community wellness.
 - Deepened understanding of advocacy, empathy, and the social factors affecting vulnerable populations.
- **Health Profession Pipeline Program (H3P):** **Sep 2022 - Present**
Vice President, Member
- Leading 80+ member club meetings and managing four committees to coordinate events.
 - Gained foundational medical experience by working with medical students on mock patient interviews and clinical exercises, building early exposure to patient care.
 - Hosted a blood drive in our school in partnership with the American Red Cross, collecting 50 units (goal was 30).
 - Helped organize service projects, including creating blankets for kids at local hospitals.
- **Student Council:** **Aug 2024 - Present**
Class Representative – CSSM Class of 2026
- Leading council office hours, providing a space for students to voice concerns, share ideas, and influence school initiatives.
 - Helped raise \$2,000 for the student body and collaborated with fellow members and faculty to plan school wide events including pep rallies, homecoming, and spirit weeks.
 - Collaborating with the Cleveland Metropolitan School District (CMSD) and the CEO to address disparities in student outcomes across schools facing financial struggles and budget cuts.

Advocacy Experiences

- **Ohio Department of Health (ODH) Teen Wellness Team:** **Nov 2023 - Present**
Member
- Selected through a highly competitive process (650+ applicants) to collaborate with ODH managers and teen wellness team members.
 - Enhancing statewide teen health programs by providing ongoing youth input.
 - Shaped changes in the Ohio Youth Risk Behavior Survey and the ODH Vaping Campaign.
 - Attended the Ohio Adolescent Health Partnership Meeting in Columbus, Ohio, providing feedback on making programs more accessible and student-friendly, and actively participated in an in-depth panel discussion.
 - Developed hands-on experience in public health planning, program development, and teamwork.

- **University Hospitals' Youth Advisory Council (KIDS Rainbow):** **Feb 2024 - Present**
Member
 - Reviewed surveys administered to teens and provided feedback to doctors and hospital leadership, helping improve pediatric mental health services and patient communication.
 - Collaborating with healthcare administration to develop youth initiatives such as financial literacy education and enhance engagement with local communities.
 - Gained experience in healthcare advocacy and communication.
- **Mock Trial:** **Sep 2023 - Present**
Member
 - Prepared and presented prosecution arguments for the 2024 & 2025 Ohio Mock Trial State Competitions.
 - Received Outstanding Attorney Award at the Cuyahoga County Court House (2024).
 - Strengthening public speaking, critical thinking, and evidence-based reasoning skills.

Volunteer Experiences

- **Schoolhouse.world** **Jan 2025 - Present**
Tutor
 - Provide SAT Prep tutoring through a nonprofit organization founded by the creator of Khan Academy, enhancing equitable access to education for 12 students worldwide.
 - Earned 60 positive ratings for live sessions and was recognized in the top 20% of tutors worldwide.
 - Strengthened communication, adaptability, and instructional skills.
- **World Champion Taekwondo Academy:** **Aug 2022 - Present**
Trainer
 - Serve as a black belt student trainer teaching forms, sparring, and self-defense techniques to students of all ages.
 - Awarded the President's Volunteer Service Award for dedicated community service through martial arts instruction.
- **Cleveland School of Science and Medicine** **Aug 2025 - Present**
Peer Mentor
 - Offer mentorship and emotional support to help freshmen navigate academic and social challenges.
 - Promote inclusion and school involvement through peer-led activities and bi-weekly meetings.

Academic Awards & Certifications

- Governor's Merit Scholarship Award **Oct 2025**
- National Merit Semifinalist **Sep 2025**
- SADD Chapter Leader of the Year Award **Jul 2025**
- AP Scholar with Distinction Award **Jul 2025**
- Global Seal of Biliteracy in Latin **May 2025**
- 2025 Harvard Book Prize **May 2025**
- Mary Nazimek Award for Research Excellence New Nereus Commentary **Jan 2024**
- Striving for Excellence Award **May 2023**
- Excellence Award in Math, Science, Social Studies, Language Arts, Computer Science **May 2023**
- Principal's List Award & Lead by Example Award **Apr 2023**
- IBM Quantum Computing Course: Certificate of Completion **Apr 2023**
- Top Ten NWEA Award for Geometry & Reading **Jan 2023**

Sports & Miscellaneous Awards

- Martial Art Taekwondo – Blackbelt **Sep 2023**
- USATT Women's Finalist Ohio State Championship & U1200, U1300, U1400, Championships **Aug 2022- Jan 2025**
