

Certificate of Special Congressional Recognition

PRESENTED TO

CLEVELAND SCHOOL OF SCIENCE & MEDICINE
SADD NEIGHBORHOOD NETWORKING EVENT

On behalf of all those who reside in the Eleventh Congressional District of Ohio, I would like to extend my warmest and sincerest praise to the Cleveland School of Science & Medicine on their SADD chapter's Neighborhood Networking Event!

Students Against Destructive Decisions is a beacon of hope and opportunity for students dedicated to engaging in positive change. By fostering open dialogue, SADD has empowered students to address critical topics surrounding mental health and identify actionable solutions. This event demonstrates a profound commitment to nurturing the potential of each student and builds upon a legacy of leadership and dedication to community service.

On this wonderful occasion, I commend the vision, hard work, and commitment of everyone in Students Against Destructive Decisions. Your efforts have enhanced the wellbeing of youth across our city, and for that, you have my utmost admiration and respect. I look forward to witnessing the Cleveland School of Science and Medicine's SADD chapter positive impact on its peers and the broader community for years to come!
