

This letter acknowledges **Tasneema Shaik**
for her participation in the 2023/2024 Ohio Teen Wellness Team.

The Teen Wellness Team (TWT) is a joint initiative of the Ohio Department of Health and the Ohio Adolescent Health Partnership. The TWT was launched in November of 2023 and ran through May of 2024.

Over 600 high school students from around the state applied for the 2023/2024 cohort, and Tasneema was one of 21 teens selected.

The purpose of the TWT is to incorporate youth voice into public health initiatives. The members of the TWT attended one to two virtual meetings each month to learn about public health and to provide feedback. Topics included the State Health Improvement Plan, the Ohio Youth Risk Behavior Survey/Youth Tobacco Survey (YRBS/YTS), school start times and sleep, school nursing, sexual violence prevention efforts, and mental health initiatives from the Ohio Department of Mental Health and Addiction Services. Participation in the TWT required commitment, openness, and the ability to work well with peers and adults. Tasneema displayed each of these attributes and was a valuable member of the team. We recognize her involvement and appreciate her time.

Feel free to contact us with any questions about the Ohio Teen Wellness Team.

This letter acknowledges Tasneema Shaik
for her participation in the 2024/2025 Ohio Teen Wellness Team.

The Teen Wellness Team is an initiative of the Ohio Department of Health and the Ohio Adolescent Health Partnership to incorporate youth voice into public health programming. The members of this year's Teen Wellness Team attended one to two virtual meetings each month, from October 2024 through June 2025, to learn about public health and to provide feedback. Topics included the State Health Improvement Plan (SHIP), the Ohio Youth Risk Behavior Survey/ Youth Tobacco Survey (YRBS/YTS), Healthy Eating Active Living (HEAL), vaping, sleep, and special health needs. Participation in the Teen Wellness Team required strong communication skills and the ability to work well with peers and public health professionals. Tasneema was an active participant in the Teen Wellness Team and we commend her commitment to health awareness.
